

Feast of St. Luke

AND

**Blessing of those in the healing
professions**

OCTOBER 20

8:00 AM, 9:00 AM and 11:00 AM services

**SAINT JAMES CATHEDRAL
65 E Huron St., Chicago**

In our Season of Saints we are celebrating the many ways in which God works miracles through ordinary people going about their daily lives. As we celebrate the feast honoring Luke the Apostle, also known as Luke the Physician (or 'one who heals'), we are inviting all those who are currently members of the healing disciplines (e.g., nurses, doctors, mental health professionals & physical therapists) to come forward at each service for a prayer of appreciation and to receive a blessing for their work in the coming year. We know that God's healing power is often mediated through the hands and hearts of those who serve in these critical roles. The above list is not exhaustive.

If you are involved in any of the healing arts, please plan to come forward for this brief prayer. Please also encourage any of your fellow healers to join you on the day and come forward as well. They do not need to be a member of St James - or any church- in order for us to give thanks for and bid God to bless their work.
